

Accessory for 3KC8 Power supply cable for connection at the top 4-pole for 1600 A  
contains 1 unit

| Model                 |                                              |
|-----------------------|----------------------------------------------|
| product brand name    | SETRON                                       |
| product designation   | Accessories for transfer switching equipment |
| design of the product | power supply cable, 4-pole, top side         |
| suitability for use   | for 3KC8, 1600 A                             |
| product description   | Contains 1 unit                              |

| Connections                                            |                |
|--------------------------------------------------------|----------------|
| type of electrical connection for main current circuit | flat connector |

| Mechanical Design |        |
|-------------------|--------|
| depth             | 113 mm |
| net weight        | 223 g  |

| Approvals Certificates   |                   |
|--------------------------|-------------------|
| General Product Approval | Test Certificates |
